IMPORTANT NOTICES

→ Declaration of health or psychological issues of the pupil

It is essential to receive before the enrolment in the transport service the medical records concerning students who have an ascertainable medical, physiological or psychological issue in order to evaluate the admission to our service to avoid that during the trip the student can cause harm to him/herself or to other students.

It is stated as of now that the adults present on board could not have the qualifications to medicate and therefore in case of emergency 112 will be called.

→ Only for employees of JRC Ispra enrolling new pupil/s

To proceed with the direct invoicing to the European Commission, please attach to this agreement the certificate of employment.

For Commission officials, JRC agents, members of the School staff who receive the school allowance and have children attending the primary/secondary school, payments will be made directly by the Services of European Commission and by the School. The payment of the special bus service organized for the pupils enrolled to the Garderie of JRC after School will be paid by the European Commission Services under the same conditions.

→ Discipline and sanctions

The user pupil has the obligation to behave with diligence and respect toward other pupils and adults present on board.

If this is not the case, disciplinary sanctions will be taken against him/her according to the severity of the ascertained fact also in consultation or in presence of the teachers or of the counsellors of education.

The sanctions can consist of a clarification talk, verbal reprimand, assignation of a fixed bus seat, temporary or indefinite suspension, all accompanied by a written communication to the families.

→ Summary of the right to the confidentiality of personal data

The Cooperativa Trasporti Alunni of the European School has the need to know and possibly use personal, school and residential data of the students and of their parents or of their legal guardians or appointed substitutes and in some cases also data concerning the work.

These data and information are essential for the correct and functional management of the daily transport activity and are used only for these scopes.

Cooperativa Trasporti does not use cookies, does not profile subjects, does not sell or commercialise the gathered data.

In order for the Cooperativa Trasporti to correctly carry out its own transport activity it could/will have to compare/communicate/obtain provided or missing data to:

European School of Varese, Management Services of the European Commission, Transport Companies and bus monitors which have stipulated financial agreements with the European School of Varese.

This agreement will be taken into consideration by Cooperativa Gestione Trasporti Alunni of the European School of Varese if received within the 5th of July 2019 duly filled out and signed in each part by both parents or by the legal representative.
