

Dear all,

All physical education teachers in all cycles of the School are informed about the procedures here, in below.

ATS Insubria has confirmed "the procedures described are correct and comply with the regulations in force".

- All pupils except children under the age of six or exempt for health reasons must always wear the mask,
- For outdoor sports activity is recommended without the use of the mask, which remains mandatory when moving from the sports field / class / bathroom etc. .
- Contact sports, and the use of equipment including the ball, are prohibited.
- Activities in gyms are possible without a mask for individual activities at a distance of at least two metres.
- Air exchange must be guaranteed by keeping windows and/or doors open in gyms.

These guidelines are applied in derogation of the Medical Service guidelines until 03/12, after which other variations will be possible.

I would like to take this opportunity to thank the Medical Service.

**Ariane FARINELLE**
